## PROFESSIONAL SUMMARY

Motivated and detail-oriented Software Engineering graduate with strong skills in UI/UX design and front-end development. Experienced in using Figma, Adobe XD, and prototyping tools to design intuitive, user-focused interfaces. Hands-on experience in web and application development with a focus on responsive design, usability, and maintainable code. Currently pursuing a BSc (Hons) Top-Up in Software Engineering and seeking a remote role or internship opportunity in software development or UI/UX design within the Australian market.

## KEY SKILLS

- **UI/UX Design Tools:** Figma, Adobe XD, Canva, Photoshop (basic)
- **Development:** HTML, CSS, Java, SQL Server, MySQL
- **Soft Skills:** Creativity, Problem Solving, Communication, Team Collaboration, Time Management
- **Languages:** English (Fluent), Tamil, Sinhala

## EDUCATION

**BSc (Hons) in Software Engineering (Top-up)-** Pursuing, 2025

**Graduated with merit -HND in Software Engineering – ESOF Metro Campus —** Completed, 2025

**Graduated with Distinction -Diploma in Information Technology – ESOF Metro Campus —** Completed, 2023

**G.C.E. Ordinary Level – Mukarramah International School —** Completed, 2020

## PROJECTS (SELECTED)

**CareConnect — Doctor Channeling System**

Designed and developed a desktop-based appointment and doctor channeling system using C# and SQL Server. Integrated dynamic queue management and patient booking workflows with focus on usability and secure data handling.

#### **Traveller Planner App (UI/UX)**

Created a mobile travel planner prototype using Figma. Focused on streamlined onboarding, easy trip planning, and modern UI patterns for travel experiences.

#### **Velvet Vogue — E-commerce Platform**

Developed a responsive e-commerce platform using PHP and MySQL with an intuitive interface, product catalog, and admin panel. Prioritised customer journey and checkout experience for conversion efficiency.

#### **ADDITIONAL INFORMATION**

- Open to remote opportunities within Australia and global markets.
- Flexible with Australian time zones and remote collaboration tools.
- References available upon request.
